## INSTRUCTIONS

1. Preparation and Filing:

(a) **DISTILLED SPIRITS, WINE AND BEER** — Prepare in duplicate. The return shall cover taxable shipments to the U.S. plus any other tax liabilities incurred or discovered during the tax period. File the original and duplicate with remittance covering the full amount of tax, with the Chief, Puerto Rico Operations (CPRO), ATF, Hato Rey, PR (see instruction 14 for address). The CPRO will acknowledge receipt in Item 38 and return the duplicate copy for your files.

(b) **TOBACCO PRODUCTS, AND CIGARETTE PAPERS AND TUBES** — Prepare in duplicate. The return shall cover taxable shipments to the U.S. plus any other tax liabilities incurred or discovered during the tax period. File the original and duplicate with remittance covering the full amount of tax, with the Chief, Puerto Rico Operations (CPRO), ATF, Hato Rey, PR (see instruction 14 for address). After acknowledging receipt in Item 38, the CPRO shall retain the original and return the duplicate copy to the taxpayer.

- A separate ATF F 5000.25A shall be prepared for each premises from which you make shipments to the United States subject to tax.
- ATF F 5000.25A shall be used as both a prepayment tax return and a deferred payment tax return.
- Item 1. Begin with "1" January 1 of each year. Use a separate series of numbers with the prefix "P" to designate prepayment returns. Begin with "P-1" to designate the first prepayment return filed on or after January 1 of each year.
- Item 6. Enter your employer identification number here and on all checks or money orders which accompany your return. If you have not been assigned an employer identification number, you must obtain and file Form SS-4 with your local Internal Revenue Service office.
- If this form contains pre-printed information in items 6, 7, or 8 and the information is incorrect, make the necessary corrections by crossing out any errors and printing the correct information in the same area. If there is no pre-printed information in these areas, print or type the required information in the spaces provided.
- Lines 9-21. Show on the appropriate line or lines the amount of tax being prepaid or, if the return covers a tax return period, the tax liability incurred during the period. If the return covers a tax return period, you must include at Lines 9-16 all tax liabilities incurred during the period even if you have already prepaid the tax. (You will show prepayments in Schedule B as adjustments decreasing the amount due.)
- Schedule A. Use Schedule A to report adjustments increasing the amount due (for example, an error in a previous return period that resulted in an underpayment of tax).
- Schedule B. Use Schedule B to report adjustments decreasing the

amount due (for example, an error in a previous return period that resulted in an overpayment of tax). Prepayments of tax, claims approved for credit of tax, and other authorized adjustments shall be reported in Schedule B. You may carry over to Schedule B of your next tax return the unused portion of any approved tax credits or adjustments.

- Explanation of Adjustments. You must fully explain adjustments reported in Schedule A and B. Identify any prepayment by serial number of the tax return on which the tax was prepaid. Identify approved claims by claim number. In all other cases, you must enter, as a minimum, the date of the transaction, (the date of an error, the date a shortage was found, etc.), the identity and quantity of the product involved in the adjustment, and the reason for the adjustment. If necessary, use the space above and/or attach a separate sheet to explain adjustments fully.

- Interest. The law provides for the payment of interest on underpayments and overpayments of tax. Interest, if applicable, will be computed at the rate prescribed by 26 U.S.C. 6621 and reported as a separate entry in Schedule A or B. To avoid paying interest on unexplained shortages of bottled distilled spirits, you must report the shortage on the tax return covering the period in which you discovered the shortage. Interest is not allowed on adjustments involving the prepayment of tax or approved claims for credit of tax (unless the approved claim specifically authorized such interest).

Compute the interest on underpayments from the due date of the return in error to the date of payment. Compute the interest on overpayments from the date of overpayment to the due date of the return on which the credit is taken.

- Enter "NONE" in Schedule A or Schedule B if there is no transaction.
- Item 36. **DISTILLED SPIRITS** — Indicate in column 1 the total proof gallons, other than articles for which drawback will be claimed under 26 U.S.C. 5134, in which at least 92 percent of the alcoholic content is rum. In column 2 show the total proof gallons of all other spirits.

**WINE, BEER, TOBACCO PRODUCTS, AND CIGARETTE PAPERS AND TUBES** — Indicate in column 1 the total amount of excise taxes entitled for cover over in which the product meets the 50 percent value added requirement under 26 U.S.C. 7652(d)(1). In column 2 show the total of all other taxes.

- Payment must accompany this form except when the payment is by electronic funds transfer (EFT). Send payment to:

Bureau of ATF  
Federico Degetau Federal Building, Room 659  
Carlos Chardon Avenue
